

Maxwell Perkins

Brooklyn, NY | maxwellhperkins@gmail.com | 925-259-1748
www.linkedin.com/in/maxwell-perkins-702a82207/

- Transitioning from the music and service industries to low-code software development
 - I build AI-assisted tools that solve workflow and efficiency problems for non-profits
 - You can see demos of my current tools in use, in progress, and in development here:
<https://ai-portfolio-landing-page.vercel.app/>
-

RELEVANT EXPERIENCE

INTERNAL TOOLS DEVELOPER — SPROUT SOCIETY

MAR 2026

- Built and deployed a CRM replacing spreadsheet-based contact management and event management
- Built a grant tracking and writing workspace end-to-end, from discovery pipeline to submission
- Built a QR scan tracker with real-time analytics, used across event marketing locations
- Currently building a social media hub integrating Canva API, Composio, and Instagram API for unified content publishing with human-in-the-loop approval
- Stack: Claude API, next.js, Supabase, Vercel, Tailwind CSS, Cloudflare workers

PROMPT ENGINEER AND ANNOTATOR — HANDSHAKE AI

SEPT 2025

- Apply music theory and composition expertise to evaluate AI model responses
 - Develop prompts requiring domain knowledge to assess model behavior
-
