

# Maxwell Perkins

Brooklyn, NY (relocating to Madison, WI) | maxwellhperkins@gmail.com | 925-259-1748  
[linkedin.com/in/maxwell-perkins-702a82207](https://www.linkedin.com/in/maxwell-perkins-702a82207)

## EDUCATION

---

**M.M., Music Theory and Composition (Songwriting Concentration)** | New York University, 2022

**B.A., Music Composition, Minor in Business** | University of Wisconsin-Madison, 2014

## TEACHING EXPERIENCE

---

**Private Music Instructor** | 2011-Present

- Teach piano, drums, audio production, and composition to students ages 5 to 18, one-on-one and in groups.
- Plan mixed-level group lessons so beginning and advanced students learn in the same session.
- Developed original curricula for composition and audio production, from beginner through advanced.
- Schedule lessons and keep families informed on each student's progress.

## MUSIC EXPERIENCE

---

**Composer and Songwriter, Independent** | 2014-Present

- Write pop, rock, and concert music, with songwriting and producer credits for John Harvie and Brett Altman.
- Returned to concert music with a re-debut concert in NYC in June 2026.
- Produce and host a concert music series for composers and performers in NYC.

**Producer & Recording Engineer, Misfits' Instruments Studio** | 2018-Present

- Produce, arrange, and mix recordings from tracking through final mix in Pro Tools and Logic.
- Play as a session musician, and handle studio scheduling and session logistics.

## PROFESSIONAL EXPERIENCE

---

**Community Manager, Sprout Society** | Brooklyn, NY | February 2026-Present

*Nonprofit community space for creatives. Team of three.*

- Plan and host a monthly music and art showcase, and support members running their own events in the space.
- Grew the space from one showcase a month to 10 to 15 events, bringing in over 100 new people each month.
- Serve as the first point of contact for members, partners, and donors; built the sign-up and onboarding process.

**Freelance Prompt Engineer, Handshake AI** | Aug 2025-Present

- Write rubrics to evaluate musical analysis, identify errors, and document the correct answer.

**Founder, Music Major Records LLC** | Jul 2023-Aug 2025

- Built and ran a platform for college musicians to collaborate and build their careers.

## APPLIED SYSTEMS

---

*Software I designed and built.*

- **TeacherAID:** a studio manager for music teachers: scheduling, student records, booking, and pay tracking.
- **The Composer Compass:** a composition tool that gives feedback on each draft, from first idea to finished score.
- **The Sprout Suite:** a CRM, grant tool, social media manager, and campaign tracker for Sprout Society.

## ADDITIONAL

---

**Instruments and software:** Piano, drums, Pro Tools, Logic, Google Workspace, Canva

**Availability:** Day, evening, and weekend sections; valid driver's license
